and global competition”*

Paper Submission

Abstracts of papers should be submitted by 21 June 2010 on the conference Website. Additional details about the paper submission process can be found on the Website.

GCET2010 Participants

The target audience includes delegates from around the world who are interested in the exchange of ideas, information, and research findings about environmental taxation issues and sustainable economic development, including:

Academic Scholars
Government Officials
NGO Representatives
Tax Professionals
Accounting Professionals
Consultants

Statement of Purpose

GCET2010 provides an international, interdisciplinary forum to explore issues involved in designing and implementing environmental taxes. The conference is not intended to advance any particular environmental agenda on an advocacy basis but rather to advance knowledge, understanding, and debate.
